DIVISION OF CONSUMER AFFAIRS
BOARD OF VETERINARY MEDICAL
EXAMINERS

Dr. Schreiber appeared and testified at an investigative inquiry before the Board on June 27 and July 19, 1990. The Board found at that time that Dr. Schreiber had committed repeated acts

of negligence pursuant to N.J.S.A. 45:1-21(d) in that he had (a) found a newly-purchased pet to be in good health when examination two days later revealed a bilateral keratitis and a hernia; (b) informed a purchaser that a pet was in good health and fit for purchase when examination six days later revealed diarrhea, vomiting and bilateral ocular and nasal discharge; and (c) informed a purchaser that a pet with nasal discharge and coughing was fit for purchase when examination three days later revealed fecalcoccidia, submandibular lymph nodes increased in size, muffled lung sounds, and peribronchitis with congested lungs.

Dr. Schreiber was informed of the Board's findings by letter of December 4, 1990, and offered the opportunity to settle the matter by acknowledging the allegations and paying a civil penalty and investigative costs. He waived his right to a hearing and submitted a written statement to the Board. The Board considered Dr. Schreiber's explanations, found them unsatisfactory, and reiterated its findings of fact and determination as to the suitability of the penalty.

Based on the aforesaid findings, and for good cause shown,

IT IS on this 26th day of September, 1991,

ORDERED that Jerald Schreiber, D.V.M., shall, within 30 days of the entry of this Order, pay a civil penalty in the amount of \$1,000.00, and it is further

ORDERED that, within 30 days of his receipt of an affidavit of costs, Jerald Schreiber, D.V.M., shall pay costs in the amount of \$858.00 by means of a certified check payable to

the State of New Jersey and submitted to the Board.
